The 1st Grade Play

The 1st grade put on a play for the reading assembly. It was puppet show. It was about Dr. Seuss's birthday. My sister was blue fish, and everyone in 1st and some 3rd graders were characters. I saw Horton, the lorax, the Yertle, thing 1 and 2, the cat and the hat, red fish and blue fish. I liked the play a lot. It was funny.

By Sam

The first graders with their third grade helpers!

At our last assembly the elementary students earned enough beans to get a reward, which was Game Day! On Thursday, March 21st, the kids spent the afternoon socializing and learning with games!

The next assembly will be in the BJR on TUESDAY, April 9 at 2:30, hosted by the fourth graders! We hope to see you there!

Boys Basketball

Basketball has been really enjoyable. Our coach this year was Coach Darrel. On March 18, 2019 was the boys' last practice. On Tuesday March 19th the boys had a game at the Enterprise school, and on the 20th was the last game at Wallowa Elementary. There were 19 boys playing basketball. Basketball has been amazing.

Donkey Basketball

Did you go and watch the seniors and the staff play basketball on a donkey? Well if you didn't go to the game, you missed out. It was hilarious watching the Wallowa staff and the Joseph staff play basketball on a real life donkey in the gym. The seniors were really funny too. When they lost the ball they had to get off their donkeys and had to drag the donkey to the ball. The whole thing was for the sophomores to raise money. They had a bake sale and a taco feed. Wallowa won both games and they got a little trophy. If you missed the donkey basketball try to make it to the next game. Donkey basketball was HILARIOUS!

Mrs. Moeller goes in for two! Go Wallowa!

4-6 Girls Basketball

This year so far was the best basketball season. On the 7th of March, the Wallowa and the Enterprise 4-6 basketball teams played against each other. Wallowa won by 8 points. Then on the 13th we had a game in Joseph and the Joseph team won. Then sadly, the last practice was the 18th. It has been really fun this year in basketball.

Susan Fletcher's Visit

By Lily May

Susan Fletcher is a very famous author around the world. On March 20th, the 4th, 5th and 6th graders got to skype her in the classroom. She wrote many books, like The Dragon Chronicles, which she began in 1989. It was amazing! We asked her several questions, like when did you write Dragons Milk? How old were you when you published it? And a lot more. Cam Scott from Fishtrap came in and helped us skype her. We all are reading Dragon's Milk, which is part of the Wallowa County Big Read! We all thought it was an amazing experience.

Read a Susan Fletcher book over Spring Break!

What are You Doing for Spring Break?

The choices are hang out with friends, play sports, also go on vacation, have company, and also hang out with family. Most people chose hang out with friends. We think Spring Break is great! By Jon and Gavin

Musical Guests

By JoJo Surber

On March 13, 2019 the elementary students had guests at music. Their names were Darrel and Meredith Brann. They were originally from Maine. They own the OK theater. They mostly play rock, but they also play country and folk blues. Meredith has four siblings. They played songs that were all different styles. A song they played for us was Wipeout. Another was a Johnny Cash song. They also write their own songs. I think they were amazing.
