Dear Parents,

The District has used the **Remind** service the last couple of years to notify parents of school closures. We do not anticipate a school closure, but if a closure does happen we want to notify you as quickly as possible. In the event of school closure a message will be broadcast on radio station KWVR 92.1. Office staff will begin making phone calls to parents as early as possible. In addition to these two modes of distribution we would also like to use a notification system called **Remind**. **Remind** will send a text out to parent notifying them of the closure. On the reverse side of this letter are instructions on how to sign up to receive these texts.

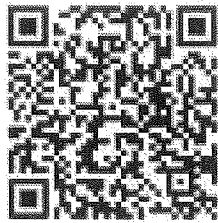

A handwritten signature in blue ink, appearing to read "Bret Uptmor". The signature is fluid and cursive, with a large loop at the end.

### What's Remind?

Remind is a simple way for you to stay informed and up-to-date with what's happening in your class. By joining your teacher's class on Remind, you're choosing to receive class messages via push notifications, SMS, or email. Don't worry, your phone number will not be shared with the teacher or anyone else in the class.
